Contract of honour of the **RESPONSIBLE RALLY SUPPORTER®**

Through this contract and by purchasing and wearing the RRS hat, I declare upon my honour to respect the elementary safety rules prevailing in Motorsport and particularly in rallies.
I commit to behave in a dignified manner by:

- obeying the instructions of the event's organizers, the course opening cars, the road marshals or the law enforcement officers;
- not going into public prohibited areas;
- avoiding dangerous places on my own initiative;
- remaining at a decent distance from road or track;
- respecting the environment and the local residents;
- adopting a worthy and responsible attitude not only on WRC's but on every rally.

By doing so, I commit to setting an example to the other spectators and, if necessary, inviting them to adopt the RRS attitude themselves as well.

I fully accept this contract of honour in order to actively participate in the Motorsport security and thus the competition's survival.

I love Motorsport and I respect it.
